THE PEOPLE'S TOWER CONSTRUCTING THE BOXES!

Monday 5 – Friday 9 May, throughout the day
Inside the Forum, Norwich

In the days leading up to the Festival, people of all ages will come together to build hundreds of cardboard box bricks. This will be happening in the Forum from Monday 5 – Friday 9 May and we're looking for school and community groups to help with this. If you or a group you know may be interested please get in touch. Contact Sarah Witcomb: sarah@nnfestival.org.uk

JOIN THE BIG BUILD!

Saturday 10 May, throughout the day
Outside the Forum, Norwich

The construction begins. French Artist Olivier Grossetête is the architect as these community builders work together, igniting imaginations and reminiscing on the childhood wonder of playing with an empty cardboard box. The structure slowly becomes a spectacle to behold as a sky-scraping tower emerges, creating a magnificent cardboard reflection of St Peter Mancroft Church.

From 10am: Come and watch as the giant structure is built

3pm: Marvel at the finished result

6pm: Delight as the cardboard monument comes toppling to the ground

FREE ENTRY, Outside the Forum, Norwich
