Contributing to the Norfolk Local Offer for Learners with SEN

Here is a template that you can use to write down your school's offer to pupils with special educational needs and disabilities. The bullet points will help you to make sure that you include all the information that you need to. We've created an example of a completed local offer, which we hope will help you to write yours. If you have any questions please contact: Judith.Carter@norfolk.gov.uk.

- Support that is 'additional to or different from' the curriculum offer- what we do
- This years provision map
- How do we fund this?
- Support for Learning packages

How we find out if this is effective:

- How we monitor progress in school and across schools using moderation tasks?
- How we involve children and parents/carers in monitoring and review
- Who we tell? (Pupil, parents/carers, governors, cluster, impact measures to the LA, Ofsted)
- What to do if you disagree with us?
