

# Assessment of learning and report writing for NQTs

**This course builds confidence in summative assessment, assigning levels, and measuring progress. It will also consider effective ways of communicating these assessments to parents and other interested parties.**

It will:

- Ensure delegates have secure knowledge of levels in reading, writing and mathematics
- Carry out moderation of pupils' assessed work
- Give delegates experience of understanding data in RAISEonline and school data systems
- Explore effective methods of report writing and communicating assessments.
