Snowsport Course Organiser Training

Norfolk Integrated Education
Advisory Service (NIEAS)

It is a Norfolk County Council requirement that staff attend this training before leading a snowsport visit.

This is a basic course designed to enable leaders to organise school, club and youth group snowsport courses safely, responsibly, efficiently and in such a way as to give maximum educational benefit (in snowsport terms) to young people. Participants must be over 21 years of age to attend this course. No snowsport experience is required to attend this course. The Snowsport England snowsport visit organiser certificate gained by attending this course does not qualify staff to supervise or instruct snowsports.

Following this course you will be able to use your knowledge of course content to organise a Snowsport course
