

Supporting Young Carers

COURSE AIMS:

- Identify the roles, responsibilities and real life experiences of young carers
- Understand how to support young carers in school to address educational inequalities and improve outcomes
- Explore ways to reduce the prevalence of bullying towards young carers, through whole school SMSC
- Raise awareness of local support services available to young carers and their families

This course is suitable for SLT, PSHE leads, teachers, pastoral workers and governors, and is appropriate to be attended by primary and secondary schools. Agencies who support schools are also welcome.
