

Preparation for Statutory Moderation 2015

EYFS, KS1 and KS2

A cross-phase briefing on the statutory requirements for assessment and moderation in 2015 and beyond.

We will feed back on our experience and expectations of teacher assessment and external moderation, as well as the good practice which supports moderation within and moderation between schools.

Who is this briefing for:

This briefing is for headteachers, subject and phase leaders, assessment leaders in EYFS, KS1 and KS2 (maximum of 2 delegates per school). For capacity reasons we are only able to offer 2 places per school, however the briefing is designed to provide information that can be disseminated back to colleagues in school. If you require more places please book in the usual way; requests beyond the two allocated places will automatically be put on to a waiting list. If there is capacity we will distribute these on a first come, first served basis after the closing date.
