September 2014

Dear Sir/Madam

### **Norfolk Fire & Rescue Service XLER8 Programme**

Norfolk Fire & Rescue Service has been in partnership with the Prince's Trust in the Norfolk area over the last few years delivering the XL programme which involves us working with a group of up to 15 young people in years 10 and 11, who may not be reaching their full potential in the classroom because of poor academic achievement and/or behavioural problems. They may be coming to the point of exclusion, which is not good for the young person, and financially is not good for your school.

The Youth Development Team, as part of The Norfolk Fire & Rescue Service strongly believe that every school should be able, if they want to, have the right to run an XL group, that is why we have compiled a great and flexible programme with similar aims and outcomes called XLER8. The programme takes in to account what schools and pupils would best benefit from.

If you would like further information or an informal chat about this opportunity, with no obligation, please do not hesitate to contact me. My full details are above. I very much look forward to speaking with you soon about this exciting opportunity.

Yours Faithfully,

Nina Whear
