# Learn: *Learning with an iPad in the primary school*

**Come and have an incredible day exploring the potential of the iPad to support learning.**

**Give pupils a whole new way of showing their understanding of knowledge across the curriculum. Find out how the iPad develops higher order thinking. Learn how to manage more than one device in a classroom context. This will be a hands on workshop with an iPad 2 provided for use by each delegate.**

#### **Delegates will:**

- identify the potential of the iPad to develop speaking and listening
- develop clear understanding of the application of the iPad across the curriculum
- identify core apps that enable engaging learning and teaching
- share ideas and identify best practice that leads to raised attainment
- provide the opportunity for teachers to embed course content into medium and short term planning
- use a matrix to assess the suitability of apps.

**Date and Time:** 14/10/14 from 9.30 am - 4.00 pm  
**Venue:** Norwich Professional Development Centre  
**Cost:** £165 per delegate  
**Course Ref:** EPEG8
