

Early Detection and Management of Eating Disorders in Schools

A 90 minute Information and networking session for schools, led by mental health professionals from The Norfolk and Suffolk Foundation Trust.

Session aims:

- Develop a greater understanding of why children and young people develop eating disorders and how to respond in school
- Provide an opportunity to share practice and problem solve with colleagues from other schools and Child and Adolescent Mental Health Services
- Identify sources of further advice and support

Places must be booked in advance. There is no charge to schools for attending these twilight sessions which are funded by Healthy Norfolk Schools and NSFT.
