Leadership & Management in PE (QCF) Subject Leadership Programme

A **nationally accredited** course at Level 4. This course is specifically designed to support anybody taking on the role of PE Subject Leader, or who is already undertaking that role.

**Level
4
(QCF)**

A nationally accredited training programme to develop Subject Leadership and Management in PE in primary schools.

This nationally accredited programme is an excellent and effective use of the new PE Premium and meets all its requirements including building capacity, sustainability and resilience. It provides a nationally accredited level 4 certificate (QCF) in Leading and Managing PE. It will build their competence and enhance PE subject knowledge whilst challenging candidates to provide evidence through effective monitoring of their developing standards and improved outcomes for pupils.

The course is fully accredited and is **highly recommended**.
