Dear Head/Principal

Norfolk Constabulary in partnership with The ChildLine Schools Service will be running an Internet Safety campaign during February 2015. We are inviting all Year 6 Norfolk pupils to participate in a competition to design a poster for this campaign.

The campaign will be promoted in the local press and there will be a prize for the winning entry as well as a Certificate for every Year 6 pupil that participates. In addition, the winning poster will be displayed in every Primary School across the County.

The deadline for entries will be 2<sup>nd</sup> March 2015 giving pupils the February Half Term to complete their posters.

We would very much like your school to be involved in this campaign and would appreciate it if you could complete the sheet below and return it to your Safer Schools Officer by 19<sup>TH</sup> December. Alternatively, email myself at **[dainesk@norfolk.pnn.police.uk](mailto:dainesk@norfolk.pnn.police.uk)**

Should you require any further information please contact me on the above telephone or email

Yours faithfully

## **Internet Safety**

*For many people the Internet has changed the way they live their lives; from the way they shop to the way they communicate. Children use the Internet constantly both for fun and for school work. The question is 'How can we stay safe in a virtual world?' Internet safety is a key focus for us as it represents many dangers especially to young people who are unaware of the risks. This campaign is designed to highlight those dangers but also to promote a safe way of using the Internet.*
