

Teaching Effective SRE at KS2

Course Aims:

- Identify key issues underpinning the need for effective SRE at KS2
- Know how to develop an empowering learning environment
- Develop confidence in dealing with common classroom issues such as giggling and 'tricky questions'
- Explore a range of active learning and assessment methods
- Consider strategies to develop positive parental inclusion

This course is suitable for SLT, PSHE leads, teachers, teaching assistants and governors working with KS2. Agencies who support schools are also welcome.

"A very useful and informative course that has clarified concerns, with helpful information to take back and support teaching strategies. I feel more confident about delivering SRE now". — Teacher
