

New curriculum: geography fieldwork in the new national curriculum

Using the fieldwork strand of the new geography national curriculum at Whitlingham Broad and applying it to the local environment of your school.

Undertake a series of practical activities at Whitlingham Broad to support the application of new fieldwork techniques useful for the fieldwork strand of the new geography national curriculum. Consider how to apply these techniques in the local environment of your own school.

Delegates will be contacted nearer the time with joining instructions. A self-study unit will be sent in advance.

- use the full range of fieldwork techniques in the geography Programme of Study in the new national curriculum
- use the resources at Whitlingham for these techniques, and adapt them to the environment local to your school.

Date and Time:	10th March 2015 from 9.30 am - 4.00 pm
Venue:	Whitlingham Outdoor Education Centre
Cost:	£165 per delegate
Course Ref:	TLS-0315-T024
