

# Effective EAL resources – What's out there? Primary

Explore EAL resources available for use in primary schools. The application and usefulness of the resources will be demonstrated and you will have a chance to try some out. You will also be offered a **FREE** EAL follow-up visit or school training by an EAL Adviser to ensure impact and effective staff development.

Schools may send up to two delegates to the session.

The programme includes:

- opportunities to try out EAL learning resources available
- see how ICT and iPad apps can be used to support EAL
- explore the effective use of the EAL funding and Pupil Premium
- explore EAL resources which assist in the admission process, as well as to engage and communicate with parents.
