

Norfolk Primary Schools Survey for LGBT History Month - February 2015

Introduction

We want to find out what language you hear or use in school. In particular we want to find out which words you think are ok to use to describe something or someone, and which words you think are rude or unkind.

Will anyone know they are my answers?

No - your answers to this survey are private. This means that we do not know your name and no one will know who said what. We do ask you to tell us some things about yourself, like whether you have a disability or whether you are a boy or a girl. If you reply that you are worried about your safety, we will need to let your school know about this, so they can make changes to help people like you. They still will not see your answers.

What if I don't want to answer a question?

Just miss it out and move on to the next one. The only question we need an answer for is which school you go to.

What if I don't want to answer any questions?

You don't have to do this questionnaire. If you don't want to, tell your teacher.

Thank you for taking part in the survey. It should take you 10-20 minutes to complete.

Bullying means people doing nasty or unkind things to you on purpose, more than once, which it is difficult to stop. It is different from when two friends of the same strength have the odd fall out or quarrel.

Homophobic bullying is bullying someone because they are gay, lesbian, or bisexual or because someone thinks they are gay, lesbian or bisexual.

Different groups of people experience homophobic bullying:

- Young people who are lesbian, gay or bisexual(LGB).
- Young people who are thought to be lesbian, gay or bisexual.
- Young people who are different in some way – they may not act like the other boys or girls.
- Young people who have gay friends, or family, or their parents/carers are gay.
- Teachers, who may or may not be lesbian, gay or bisexual.

20) Have you ever experienced homophobic bullying?

- ☐ Yes, a lot
- ☐ Yes, a little
- ☐ No
- ☐ I'm not sure

21) What do you think we should do to tackle homophobic bullying?

What can you do to stop homophobic bullying?

It is OK to use the word 'gay' to describe someone who is gay or lesbian. We want you to feel confident to respond if you hear someone using the word 'gay' in a negative way.

Here are some ways you could respond:

"In this school, we don't use language like that. We try to be kind to everyone."

"How would you like it if someone called you names like that?"

"What do you mean by 'that's so gay!'?"

"Gay is a word we use to describe people who love people of the same sex, not a nasty word to use against people."

"I'm really sad to hear you talk like that. I hoped you knew it was important to be kind to everyone."

"I don't like you using language like that."

Thank you

Thank you for taking the time to complete the survey. We will tell headteachers what the survey found out to help them stop bullying in schools.

If you have a problem with any issues relating to bullying, please talk to someone. A teacher or headteacher will be able to help you. If your school has a peer-support scheme, you could use that. If you do not feel comfortable talking to someone in your school, you can talk to someone you can trust, a friend, parent or carer. They can come with you to talk to a teacher or someone else about the problem.

You can also call ChildLine free on 0800 1111, someone is there all the time and the number will not show up on the telephone bill. If you cannot get through the first time please try again.

REMEMBER: KEEPING QUIET ABOUT BULLYING ALLOWS IT TO GO ON

When you press 'Finish survey' your answers will be sent to us and the survey will close.
