

# Speech & Language Communication Needs for Children & Young Persons aged 0-25 Years with SEND

## Parent / Carers Focus Group

**Come along and give us your views which will help to form a picture of what the new service will look like from April 2016**

The Focus Groups will be an informal opportunity to enable Parents and Carers to share their views and experiences of the current speech & language services. This will enable us to understand the issues in the past, present and what worked well to avoid repeating them in the future.

Booking is essential as there will be limited spaces; however there will potentially be further dates in the near future subject to demand.

**To reserve your place please email**
