

# New primary curriculum: grammar

**A course giving practical ideas and resources for the planning and teaching of grammar, punctuation and vocabulary in the new English curriculum.**

This course explores the vocabulary, grammar and punctuation elements of the Year 1 and 2 programme of study from the new national curriculum and also considers the requirements for the future end of Year 2 statutory assessment. Clear and concise definitions and explanations are a core part of the day, ensuring clarity when teaching. A range of activities are exemplified to support you to plan engaging lessons that build the children's understanding and interest.
