Outstanding English Programme for Secondary Teachers

Raise the quality of English teaching to be consistently excellent.

Learning from Ofsted publications and focusing on subject knowledge, pedagogy and the role of coaching, this two-day programme will support teachers who have the potential to be outstanding.

Delegates will undertake 'gap tasks' between the sessions.

Course objectives:

- Explore innovative and imaginative resources
- Consider how to develop learners' engagement and creativity
- Consider how to enhance Assessment for Learning and develop effective marking strategies
- Understand the place of grammar in the development of writing and response to text
- Consider how to develop high levels of functional and academic literacy
- Be informed about current best practice, research and initiatives in English (language and literature) education and examinations.
