# SNOWSPORT COURSE ORGANISER TRAINING

Educational Visits and Journeys - NIEAS

## Essential training for leaders of snowsport courses

This is a nationally accredited course designed to enable leaders to organise school, club and youth group snowsport courses safely, responsibly, efficiently and in such a way as to give maximum educational benefit (in snowsport terms) to young people. Participants must be over 21 years of age to attend this course. No snowsport experience is required to attend this course. The Snowsport England snowsport visit organiser certificate gained by attending this course does not qualify staff to supervise or instruct snowsports.

The course will ensure snowsport leaders are aware of the standard and good practice guidance to ensure snowsport trips are managed safely.
