

Let's Think in English tasters

***An exciting new opportunity for KS2
teachers in Norfolk***

***We are proud to be working with King's College,
London to raise attainment in English.***

What is Let's Think in English?

- A proven, research-based teaching programme from King's College, London
- An exciting approach to teaching English
- A suite of resourced lessons
- A way to raise attainment
- A programme of professional training

Why should I be interested?

- Pupil engagement and enjoyment
- Impact on pupil performance at KS2
- Particularly supportive of less able pupils
- Quality professional development

What do I need to do?

- Attend one of the free taster sessions run by Michael Walsh of King's College
- Consider whether to sign up for our local training programme and networks

What support can I expect if I decide to sign up?

- Expert training
- Lesson plans and resources
- Adviser support
- A supportive local network
