

E-Safety action planning and CEOP training (accredited)

How good is your ESafety?

Keeping children and young people safe online and teaching them about the appropriate and responsible use of the internet is an essential part of a school's safeguarding role.

This full day course is designed to support high-quality leadership and management of e-safety, including resources to support curriculum teaching of esafety across all key stages.

As part the day, full CEOP Think You Know Training will be provided, including certification.

IMPORTANT INFORMATION -

All delegates attending the training must bring a signed, headed letter from their organisation. This letter should be from senior management at their organisation and state the delegate's role and length of employment with the organisation they are representing, the relevance of this training to their role and confirm that the organisation has undertaken necessary risk assessments to ensure that the delegate is suitable to work with children and young people.

Delegates will receive a CEOP *Thinkuknow* certificate and access to further *Thinkuknow* materials.
