

Tackling Mental Health Stigma with Children and Young People

Working together to improve the emotional and mental wellbeing of young people

Date: November 24th 2015

Location: Norwich

Time: 9.30am to 4.30pm

Number of places: 30-35

Aims and objectives

- To improve the knowledge and skills relating to tackling mental health stigma with children and young people
- Participants cascade the knowledge gained to other staff in their organisations

Outcomes

By the end of the course, participants will be able to:

- Understand what stigma is
- Recognise the effects that mental health stigma has
- Describe effective ways of tackling mental health stigma with children and young people on an individual and group basis
- Know about the evidence-base about mental health stigma

Target group

Staff working in Universal (*non-specialist mental health settings*) who have some understanding of, or responsibility to support children and young people with mental health issues. Ideally participants will have attended a previous foundation course, i.e. Emotional Health Awareness Foundation Training offered by CAMHS. This course is now available on line. For further information and to access this on line course via the Learning Hub please click [here](#)

Participants will be required to cascade knowledge gained with colleagues in their setting. A tool to help with this will be provided.

Training provider:

Associate Development Solutions Ltd is an organisation made up of people with extensive experience of the mental health of children and young people; working in child and adolescent mental health services, universal services and in training and education. Our aim is to support raising the profile of the mental health of children and young people and to provide a training experience that is informative and useful.

We want people to be as involved as possible. To facilitate this, we will include small group exercises, DVD clips and explore how we can tackle stigma on an individual and group basis.
