

Professional network for GRT coordinators and GRT nominated staff (*Secondary schools only*)

We would like to invite you to an exciting new networking group with a focus on Gypsy, Roma and Traveller (GRT) pupils in Norfolk schools to explore best practice and provision. You will be able to engage with colleagues county-wide and share good practice, broaden your knowledge and develop new skills.

This is an opportunity to keep up to date with current legislation and meeting Ofsted requirements for working with vulnerable groups.

The network will provide a forum to discuss any issues that you may be experiencing in school and ideas for solution focussed problem solving.

We will be covering topics, such as:

- Review of the Common Inspection Framework, Ofsted's focus on vulnerable groups, British Values, SMSC
- Access to tools that allow demonstration of progress for one of the lowest achieving ethnic groups nationally
- Teaching and learning resources and activities that reflect Gypsy Roma Traveller culture
- Strategies for teaching, learning and assessment of GRT pupils

We will also be inviting input from:

- GRT Community Speakers and Story Tellers
- Travellers Times – GRT focused media
- Traveller Education Services
