

Professional Network - Religious Education

Our professional networks in Religious Education:

- enable schools to keep abreast on international, national and local developments and issues within Religious Education
- facilitate cooperation, mutual support and sharing of resources and ideas amongst subject leaders
- focus on sharing best practice
- provide the opportunity to develop the competence and confidence in leadership challenges
- assist in the discussion and debate particularly in relation to improvement and development
- draw in wider expertise as fits in with developments within Religious Education

The professional network package includes:

- three half day termly meetings per academic year
- access to electronic resources through an online network space
- email and telephone support from specialist adviser
