

# Norfolk Safeguarding Children Board

## Thresholds and Local Conversations

### Target Audience:

The workshops are open to staff at all levels.

These workshops are a first step in ensuring these ideas are implemented across the whole of the children's workforce in Norfolk.

### Aims and objectives of the events:

- Launch the Threshold Guide
- To start a continuous conversation about meeting children's needs
- To establish a common vocabulary to improve communications
- To support networking and relationship building
- To give participants responsibility for passing on the messages
- To promote the work and the development of the LSCGs
- To promote clear understanding of the new localities and what this means for practice

See over for dates and venues for workshops

**NB: Delegates must attend the workshop being held in the locality in which they work**
