

Let's Do It Anyway

Advent Wishes

Time and time again we meet so many inspiring people with an incredible 'Lets Do It Anyway' attitude, who despite their debilitating medical condition or disability, they continue to overcome the challenges they face. With this in mind, we decided to give YOU the opportunity to nominate your shining star, someone who inspires you that you truly believe deserves an Advent Wish from us.

So, if you know someone that inspires you, who you believe deserves a special advent treat that you would like to nominate for please email us via the charity web
