# EMERGENCY POINT OF CONTACT (EPOC) & VISIT EMERGENCY

## TEAM TRAINING

Ensuring effective management of emergencies arising from educational site visits

This training will ensure EPOC's (emergency point of contact) and visit emergency team know how best to react and support Visit Leaders when faced with an incident/accident on an educational visit.

This training builds on experiences from other Local Authorities following major incidents.

Delegates will be shown best practice to ensure their establishment's system is robust enough to deal effectively with emergencies or critical incidents during an off-site visit.
