CCET

Certificate of Competence in Educational Testing

What is CCET?

The Certificate of Competence in Educational Testing (CCET) will enable the participant to confidently understand the principles involved in educational testing and carry out that testing themselves.

A successful completion of the CCET will lead to the British Psychological Society Test User Educational qualification *(additional registration fee & annual subscription to BPS is not included in the course fees).*

If desired, completion of the CCET will enable the participant to undertake the additional Access Arrangements Course (AAC) to become a Specialist Assessor as defined by JCQ regulations.

For more information on the CCET (and additional Access Arrangement option) please visit:

www.realtraining.co.uk

CCET content

- understand the purposes of testing & assessment
- become familiar with theories about testing & psychometrics
- understand the legislative and policy framework
- select, evaluate, administer and interpret different types of educational tests
- carry out an assessment of a learner and report the findings

Course assessment

A range of assessment exercises to assess all competencies including:
multiple choice, written papers,
written assessment report,
video evidence

Practicalities

CCET is an intensive, three full days course to be held at Taverham High School from **9-11 December 2015**.
