EYFS Toolkit: Making Maths Count!

How to enhance the development of number skills and improve young children's knowledge and understanding of early mathematical concepts.

A day's training full of practical ideas and activities to enable practitioners to achieve the following outcomes:

To recognise the elements that constitute highly effective early numeracy approaches:

- to take away key approaches that you can use within your school or setting
- to enhance your early numeracy strategies that will support the development of skills, knowledge and understanding.

Dates:	18/01/2016
Time:	9:30 am - 4.00 pm
Venue:	Norwich Professional Development Centre
Cost:	£165 per delegate
Ref No:	TLS-0116-T025
