

EYFS Toolkit: Enthusiastic learning *Learning Behaviour approaches*

The learning behaviour approaches toolkit will focus on teaching approaches that enhance students' motivation and develop strategies for engaging all children in enthusiastic learning.

The toolkit will focus on developing teaching approaches that will create a positive learning environment for all children. Activities will include helping children to become aware of themselves as learners, developing mindfulness, and improving levels of engagement and enthusiasm towards learning.

Course Objectives

- Delegates will be able to identify ways they can have a positive impact on children's engagement with learning.
- Delegates will take away key approaches to use within school to create a culture of enthusiastic, reflective and meaningful learning.

Dates:	03/02/2016
Time:	9:30 am - 4:00 pm
Venue:	Norwich Professional Development Centre
Cost:	£165 per delegate
Ref No:	TLS-0216-T019
