

ST*ART! Club

at Norwich Castle Museum and Art Gallery

ST*ART, our new artist-led Saturday morning Art Club for children is now open for bookings.

This brand new art club for 8-12 year olds is led by artist Ali Atkins and kicks off with a six week course – ST*ART Drawing!

ST*ART aims to support children's confidence, creativity and skill development through activities inspired by the castle's amazing art galleries, culminating in a mini exhibition and 'private view'.

The cost is £45 for the six week course. There are two free places for disadvantaged children.

ST*ART is supported by the Town Close Estate Charity and East Anglian Art Fund.
