

SHERINGHAM PRIMARY NATIONAL TEACHING SCHOOL

TEACHING ASSISTANT SUPPORT PROGRAMME

The Teaching Assistant Support Programme has been developed by Sheringham Teaching School to enable TAs to have greatest impact on children's learning. The programme uses many elements of the latest research around maximising the effectiveness of TA's work.

The programme consists of 3x half day inset sessions, followed by self generated targets for in school development. To enable the delegates to gain the most from the programme it is highly recommended that they have a mentor in school who will be able to support them with their development.

Sessions include:

- Effective support of teaching and learning, including the new Ofsted criteria
- Effective use of questioning and talk to support learning
- Supporting reading for meaning
- Supporting progression in maths
- Supporting behaviours for learning.

This programme has been delivered in schools around Norfolk and received very positive feedback. Previous participants have said:

'I found the whole programme very beneficial and have enjoyed each aspect'

'The course has introduced some really valuable tools and methods to me'

'The course has made me much more aware of my role and helped me try and be the best I can for the children'
