

# NORWICH CATHEDRAL

Schools & Family Learning Department

**The amazing, interactive,  
LIFE exhibition is coming  
to the cathedral!**

**17-20 MAY 2016**

**Don't miss out....it is going  
to be a fantastic and unique  
experience!**

We are offering this half day  
or full day visit for just £2.00  
per child (the self guiding  
fee). You can bring up to 60  
children per half day.

**LIFE** is a 'hands on' learning experience  
using the latest technology — tablets,  
DVD, sound and superb visuals.

It tells the story of Jesus and supports  
concepts and enquiry as set out in the  
Norfolk Agreed Syllabus for R.E. (Jesus as  
saviour/word of God/parables/miracles and  
more).

The exhibition pods will be erected in the  
North Transept of the Cathedral. Children  
explore each area with their tablets, led &  
guided by the 'LIFE' team.

It ends with drinks and a 'get together.'

We're also including a guided tour round  
the cathedral to look at how Christians  
worship Jesus today.

Booking is essential. To book places call Janet  
Marshall on 01603 218320
