

## Bilingual Programme 2016

We are looking for anyone interested in becoming a host family for a Spanish PE teacher attending a three week training programme from **Saturday 2nd July 2016 to Saturday 23rd July 2016**. The programme is run by the Minority Achievement and Attainment Service, part of Educator Solutions (a traded enterprise of Norfolk County Council) based at the Professional Development Centre, 144 Woodside Road, Norwich, NR7 9QL

**Due to the location of the training venue, host families must live in Norwich.**

This would be an exciting opportunity to find out more about another culture and to show the warmth of Norfolk hospitality!

### **Expectations of Host Families:**

Host families will be paid £390 for the three week stay to provide half board accommodation which will include:

- A single study bedroom which will have a bed with a good supply of bedding, ample drawer and hanging space, a mirror, adequate lighting and a writing desk or table. Hosts will provide and launder bed linen and hand and bath towels.
- Breakfast and evening meals each day with packed lunch at weekends.
- Adequate access to bathroom facilities and can have a daily shower or bath.

The teachers are here as 'paying guests'. They are paying for the privilege of becoming an additional member of the family and should be treated as such. They will be expected to assimilate into English family life.

**Please contact Joanne Martin with expressions of interest or queries. We will pay a short visit to all prospective hosts we haven't previously visited to look at the room and discuss the scheme:**
