

Primary and Secondary Professional Networks 2016 - 2017

Educator Solutions Professional Networks provide informed expertise and the opportunity to share challenges, ideas and solutions with colleagues across the county.

Professional Networks are designed to support primary and secondary middle and senior leaders who wish to work and learn together as they bring about sustained school improvement and navigate education's ever-changing landscape.

Our professional networks enable you to access partnerships and resources that will deliver real improvements. Our networks will:

- enable schools to keep abreast of international, national and local developments
- facilitate cooperation, mutual support, the sharing of resources and best practice between schools
- help develop competent and confident leaders
- encourage debate about improvements and developments
- draw on wider expertise in development within the subject.

Each Professional Network package includes:

- access to informed advisers with subject expertise
- the opportunity to share concerns, ideas and solutions with colleagues across the county
- regular access to electronic resources through an online network space
- email and telephone support from specialist advisers.
