

Mathematics Toolkit: An Introduction to Numicon (whole school event)

“There’s no magic in the plastic, it’s what you do with it that counts...”

Course Outline

With research-based resources and rigorous teaching support from nursery to Year 6, Numicon provides everything you need to create confident mathematicians throughout your whole school.

This course

- embodies the aims of the 2014 National Curriculum by developing conversation, reasoning and problem-solving
- exemplifies the principles of mathematics mastery with concrete apparatus and imagery to embed deep understanding
- ensures every teacher will grow in confidence in using the Numicon approach within their classrooms.

By the end of the course participants will see and understand how to use Numicon to demonstrate that:

- maths involves abstract ideas that can be represented conceptually.
- maths involves spotting patterns and making generalisations.
- the understanding of number relationships.

Up to 4 delegates per school/partnership	£400
Up to 8 delegates per school/partnership	£600
Up to 12 delegates per school/partnership	£840
Up to 16 delegates per school/partnership	£960
Up to 20 delegates per school/partnership	£1100

Phase

Primary and Secondary

Audience

All staff

Trainer

Anna Hogg

Date

01/09/2016

Time

9:30 am – 4:00 pm

Venue

South Green Park,
Mattishall,
Dereham NR20 3JY

Course Ref

TLS-0916-T032
