

# 1stClass@Number 2

**1stClass@Number2 improves children's understanding of number and develops early calculation skills.**

## **1stClass@Number2**

- provides targeted use of the Pupil Premium
- supports the new National Curriculum for Mathematics
- raises mathematical attainment
- increases enjoyment and engagement in mathematics
- develops teaching assistants' subject knowledge and wider effectiveness
- provides detailed evidence of progress and impact

*Over 45,000 children in Years 1 to 11 have been supported by **1stClass@Number** in 3,500 schools.*

*They made an average Number Age gain of 12 months in only 3.5 months – over 3 times the expected progress.*

*93% of them showed more confidence and interest in learning mathematics in class after **1stClass@Number**.*

**1stClass@Number** comes ready-made with detailed session guidance and extensive resources. A specially trained teaching assistant delivers 30 sessions to a group of up to four children, for 12-15 weeks, while children continue to take part in their normal class mathematics lessons.

The training is delivered by an accredited **ECC Trainer** from **Edgehill University**, with sessions focussing on developing the TAs mathematical subject knowledge and pedagogy. A school Link Teacher, will also attend 2 half days with the TA to support, manage and evaluate **1stClass@Number 2**.

*Upon completion of the programme Teaching Assistants will receive a certificate from Edgehill University, showing they are approved to deliver 1stClass@Number2. There is also the opportunity for further academic accreditation through Edge Hill University's Level 4 module 'Supporting Children's Mathematics through 1stClass@Number'.*
