**Important Information regarding Healthy Norfolk Schools Programme**

I am writing to you to inform you that we are currently undertaking a review of the Healthy Schools Programme and will be proposing a new service model to support and promote the best health outcomes for Norfolk's Children and Young People.

Any school currently undertaking a Healthy Schools award will be supported by the current Healthy Schools team to complete this up until the end of September 2016.

As soon as the review of the service is complete I will be in touch with further details.
