

Easton&OtleyCollege

Autumn & Winter visits

to Easton Campus

Don't let the duller darker days put you off - we still have lots to see and do!

- See the sheep in their fields – their fleeces have grown, they are toasty warm and ready for the winter ahead
- Watch the pigs, playing in their pens & snuggled in the warm straw
- Visit our new laying flock, listen to them clucking away, watch them displaying natural behavior as they scratch & peck in their straw (you might even be lucky enough to spot an egg!)

Also did you know?!

We offer land use and countryside careers sessions!
These sessions are best for KS2

They can be combined to make a full day visit - this is especially good for Y5&6 to broaden horizons

Either option can be combined with a farm visit to make a full day
Or they can be booked as a standalone half day option

Nb - land use includes use of a college map and designing a key to use with said map

Visits available Mondays, Tuesdays and Wednesdays in November and December
Prices range from £3-30 - £5-60

All visits led by trained and dbs checked staff
Clan Trust travel grant available for farm visits

*To enquire about booking a class visit to Easton Campus Farm
