News...our link with Norwich Castle.

In the Summer we offered some fun filled 'pop up cathedral' days there, then the castle ed team joined us at our family days in the cathedral. It was great to have them on board. So...**IF YOU ARE DOING NORMANS OR ANY OTHER HISTORY TOPICS...** why not combine a visit to the castle with a visit to us on the same day? **Call us to discuss options.**

I really look forward to hearing from you. Please copy this and pass to colleagues in all year groups/cluster schools. Let me know if you have any new ideas for fun things to do here or in your school. We love a challenge!

Lest you forget... FUN IN YOUR SCHOOL! We'll also come out to your school for assemblies and creative R.E., **Spirituality, History and PSE/wellbeing days (for pupils and/ or staff).** In the Summer term we delivered seven days at St. Francis' Primary, in the city. We worked with all year groups, (rec. to year 6), doing our bespoke **Labyrinth Days**, with a pilgrimage theme. They included, singing, drama, world faiths, artefact handling, discussion AND the challenging, reflective labyrinth walk. **If you've got a big hall, you might want to try it.** We bring in our enormous, canvas labyrinth. You tell us which topics you want to weave into the day programme. It's fun learning! (£2 per pupil - half day + mileage @ 45p per mile).
