

## BE PART OF SOMETHING SPECIAL

Young Norfolk Arts is a charitable organisation dedicated to delivering creative opportunities for young people throughout the County and throughout the year. The peak of its activity is the Young Norfolk Arts Festival which takes place towards the end of each academic year. In the 2016 Festival 2840 young people from 91 different schools took part in 49 events and had the chance to participate in all aspects of the Festival's activities from devising events to reporting on them across a variety of media platforms. See [www.ynaf.org.uk](http://www.ynaf.org.uk) for more details.

We are in the process of gathering ideas for next year's Festival and for our year round programme of activities. If your school or any of your pupils as individuals would like to be part of this experience, please contact [enquiries@ynaf.org.uk](mailto:enquiries@ynaf.org.uk). All ideas and suggestions gratefully received.
