

FREE EVENTS FOR YEAR 5/6 TEACHERS, ENGLISH & MATHS SUBJECT LEADERS AND SENIOR LEADERS

ENSURING SUCCESS AT KEY STAGE 2

Let's make it happen together for all our children!

Norfolk Teaching School Alliances collectively, would like to invite all Year 5 and 6 teachers and Head teachers to attend a meeting to share good practice around SATs preparation. This will be a fantastic opportunity to hear from others about what strategies they used to raise outcomes for groups of children and also a chance to network and work together to raise outcomes across Norfolk in 2017.

Please come prepared to share any nuggets of good practice that worked for your children or particular groups of children.

By getting together working collaboratively, you will leave with new ideas for practical strategies to raise outcomes for children
