

Teaching PE with confidence

Physically educated teachers can greatly impact pupils' physical, social and emotional development through confident delivery and assessment of high quality PE.

Course Outline

This is a collaboratively run Physical Education course to support the **upskilling of QTS professionals** working in schools confidently and competently deliver PE. Associated organisations will be:

- Community Sports Foundation (CSF)
- Slanteddance
- Real PE – Create Development
- Premier Education

The course will cover a range of knowledge, skills and understanding necessary to deliver high quality PE in a broad range of activities that can be taught. The course content will be directly linked to teaching and learning pedagogy, health and safety in PE, pupil progress and enjoyment.

By the end of the session participants will:

- understand how to plan, assess and deliver high quality PE
- understand how to deliver engaging and inclusive PE
- develop a range of teaching pedagogies to use directly in practical PE sessions
- consider the most effective and sustainable use of the PE Premium money.
