

Pupil Premium: meeting new DfE statutory requirements

Updated statutory requirements by the DfE now includes the need for all schools to have a pupil premium strategy.

Course Outline

This course will guide you through, and provide a wealth of information and resources for you to confidently create an effective pupil premium strategy.

For this academic year, schools must include:

- a summary of the main barriers to educational achievement faced by eligible pupils at the school
- how schools spend the pupil premium to address those barriers and the reasons for that approach
- how schools will measure the impact of the pupil premium.

By the end of the course participants will:-

- have a clear understanding of the new statutory requirements
- have a framework to support the identification of barriers to learning of this pupil group
- be able to clearly state the rationale behind their spending decisions
- will have a range of approaches to measure the impact of the pupil premium spend.
