

The Great TA Training Day

Develop a confident, proactive and self-directed workforce.

Course Outline

The role of the TA is fundamental to supporting the best outcomes for learners. By developing a confident, proactive workforce, schools will maximise the potential of their TA team.

This course focuses on enabling TAs to be the best they can be in supporting all their pupils.

This training is designed for schools to send groups or all of their TAs. Please book early as spaces are limited. If over-subscribed, places will be held on a waiting list and we will advise you of additional dates.

By the end of the course participants will:-

- have a clear understanding of the TA's role and how this impacts on improving pupil outcomes
- develop strategies to become self-directed and proactive practitioners
- be introduced to a range of approaches that develop independence and resilience in learners
- be able to use and apply a range of approaches and evaluate their effectiveness back in school
