

# Let's InterGREAT!

## **Assessment and teaching and learning strategies for New to English / EAL pupils.**

### **Course Outline**

This three day course is for KS1 and KS2 teachers of EAL learners who are at the early stages of learning English and those who are beginning to develop academic language. The session will support delegates to provide an exciting and engaging curriculum to ensure these pupils make rapid progress, through quality first teaching.

The session will be interactive and model effective teaching and learning approaches. Delegates will engage in discussion, experiential learning, try out practical activities

### **By the end of the training participants will:-**

- be able to assess pupils to inform their planning and teaching
- understand EAL pedagogy and its impact on teaching and learning
- be able to use a range of speaking and listening strategies to enhance their practice
- plan and differentiate to meet the learning needs of all pupils including those that have English as an Additional Language (EAL) and are New to English (NtE) in a positive, stimulating and creative learning environment.
