

Residential Visit Leader Training

Helping staff to run brilliant and safe residential's

Course Outline

Training for visit leaders on key aspects of managing residential educational visits. The course will cover key elements from National Guidance for residential visits and explore a number of examples and issues using case studies and scenarios. This will build competence and confidence to plan effective residential visits.

By the end of the course participants will:-

- Provide key safety management information
- Increase confidence and competence in leading residential visits
- Ensure effective planning of residential experiences
