

# Being an Effective Communicator

Being understood and being understanding.

## Course Outline

Practical day one with activities to support:

- Analysing data to support groups of children and close the attainment gap
- Starting points, assessment, planning next steps
- Teaching and learning skills
- Play based curriculum, indoors and outdoors
- Engaging parents in supporting learning at home

Reflective second session to discuss how implementation has gone and how to sustain the legacy:

- Peer support and networking
- Action plan

## Outcome

- To recognise the elements that constitute highly effective communication and language approaches
- To identify key approaches that will enhance communication and language development
- To be able to develop children's spoken language skills through modelling effective communication
