

Becoming an EYFS Lead Teacher

This training will provide those new to being an EYFS lead teacher in school with the necessary skills and knowledge needed to be effective.

Course Outline

Leading EYFS in your school can be a daunting prospect, whether you are leading in a small or a larger school. This 3-day training will support those new to leading EYFS in rising to the challenge.

Key points that will be explored over the 3 days will include:

- Understanding what it is to be a leader in EYFS
- Prioritising development of the EYFS
- Effective monitoring and reflective practice
- Debating what makes practice good
- Understanding the individual needs of your school
- Developing effective communication skills

Delegates will:

- Understand and develop the key features of effective leadership in the EYFS
- Feel enabled to use data and other monitoring information to put an effective action plan in place
- Understand how to get the best from your team
- Develop an effective monitoring cycle that leads to effective school improvement
- Develop confidence and security in debating EYFS practice and relate this to practice in your school
