

Once upon a Time - Story telling, story making and story sharing

This course will provide participants with the opportunity to explore a range of practical story telling, story making and story sharing ideas that will promote and develop children's language and reading skills.

Course Outline

Sharing and telling stories are powerful strategies for improving young children's communication and language skills, and is key to developing a love of stories. These important early literacy skills are the building blocks on which children develop into confident and creative writers and readers.

Course Outcomes:

- Identified what makes an effective story sharing and telling environment
- Improved understanding of the importance of developing children's language and vocabulary and the links between this and reading and writing
- Improved confidence in sharing and telling stories through the use of a range of storying techniques
